

TRINITY BEACH PALACE  
CAIRNS AUSTRALIA

---

# ABOUT

## **Trinity Beach Palace is Australia's most exclusive private beachfront estate, available for short or long-term stay.**

Set on approximately 10,000 sqm (2 1/2 acres) of park-like tropical landscaped grounds with a 130 metre beach frontage, this property is of an exceptional international standard. Enter the austere “palace gates” and you will sense that this is a special place. A place that only a privileged few will ever get to experience.

Known as “the island on the mainland” Trinity Beach Palace sets the standard for beach front property. The grounds contain a selection of Queensland's most beautiful tropical plantings; all carefully selected to provide an amazing fusion of year-round colour. Natural rock cascades, palm trees and large lawns complete the picture.

# THE EXPERIENCE

**Play, sleep, swim, walk, read, sun, eat, drink, talk, exercise and relax. The only guests you meet are those you invite.**

This beach front estate has all the requirements of a perfect stay. The property sits directly on Trinity's white sandy beach; the boundary is the high tide mark 12 metres from the base of the Rock Wall!

Designed to accommodate 10 people in luxury and style, Trinity Beach Palace is a decadent house providing around 1000sqm of accommodation.

Relax in the year round climate controlled pool, read a book from our library, fall asleep in the large day bed under the thatched roof or get energetic with the gym, golf driving range or play games from our vast games box.

Whatever you do you'll feel the stresses you arrived with seeping away somewhere into the Coral Sea.

Night time's arrived. Fix yourself a cocktail, sit at any of the three bars on the Estate and enjoy life. Or maybe it's an outdoor barbeque you feel like tonight? You do not feel like cooking, then either walk to the numerous restaurants located at Trinity Beach, jump in a car to Palm Cove or ask us to organise a private chef.

A late night port in the Safari Den could be just what's needed. After all tomorrow's another big day - lots to do like sleep, swim, read, exercise or play.

# STYLE

## **Rich and eclectic makes for luxury and adventure**

The interior styling is best described as “African Chic” which is essentially rich London townhouse meets “out of Africa”. A mixture of vibrant English and Italian fabrics with gold gilded furniture. Combine this with beautifully hand selected tribal African and international pieces and you get a truly unique and exotic interior.

Hand-made rugs each individually designed to reflect modern tribal themes set the scene. The interior will be appreciated by those who desire not only a sense of luxury but also a sense of adventure.
